GUEST ROOMS

SCP Hotel Colorado Springs greets guests with fresh and modern setting and features 174 newly renovated guest rooms with keyless entry. Our design philosophy is a refreshing nod to simplicity, with convenient appointments throughout, from personal fridges and fully stocked pantries to high-speed Wi-Fi, a 50" Samsung Smart TV, and your choice of king or two queen beds.

DINING

Locally sourced, fresh and wholesome consumables abound at our Provisions Market. A place for breakfast, lunch, or dinner.

WELLNESS

State of the art fitness area with the Peloton bike, yoga studio, meditation room, weights, TRX training, and more.

COMMONS

A communal space where you can relax with a book, host a small meeting, or catch up on email.

HOTEL EXPERIENCES

From local jam sessions to fitness classes and workshops, you will find a constant energetic vibe throughout the hotel.

THE DESTINATION

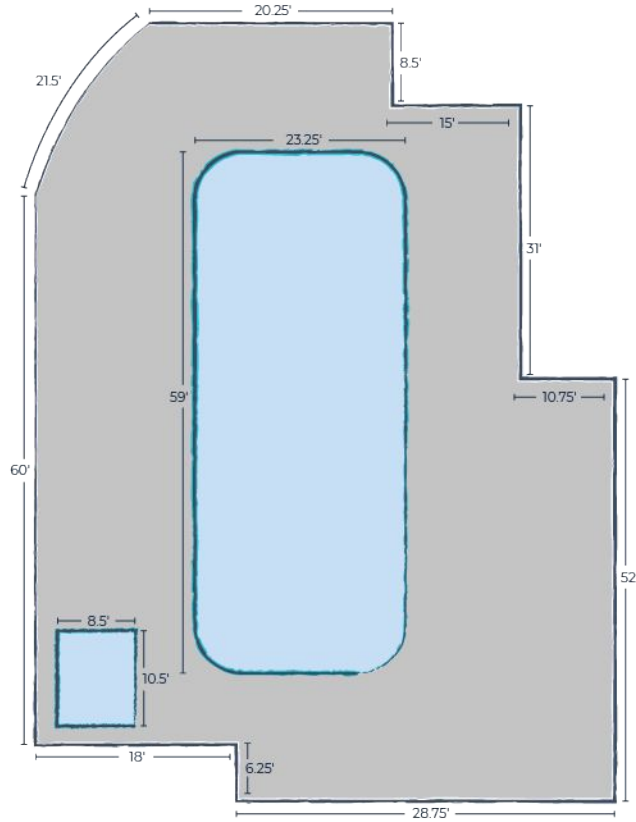

Nestled at the eastern foot of the Rocky Mountains, a one-hour drive from Denver, Colorado Springs is the perfect balance between urban and adventure. Enjoy the arts and culture scene and nightlife, and then escape to the mountains for an outdoor experience. Colorado Springs has several direct flight routes from most major cities.
