

## **Paul J. Pearson**

**EMT-Basic / Set Medic / Covid-19 Compliance Officer**

**Fort Collins, CO**

I have outlined my relevant skills and accomplishments that I have worked for in the past 49 years in the emergency and non-emergency medical services industry with experience and technical knowledge and skills applicable to the ambulance industry in the 911 & non-911 environment.

Currently certified Emergency Medical Technician certified since 1973 with the State of California.

Studio, stage, locations work with IATSE Local 80 in Burbank, California for Commercial, Feature Film and Television. Now living in Northern Colorado since May 2020. Registered for work with IATSE Local 7 in Denver, Colorado.

### **Experience:**

#### **I.A.T.S.E. Local 80**

**Burbank, CA**

**January 4<sup>th</sup>, 2018 to Current**

**Set Medic / First Aid** – Stand-by on location, studio and stage for construction or production. In the event of an emergency, the Set Medic acts as the First Responder, and primary health source and responds to any minor or major accident or injury. Render medical aid as needed. Provide the necessary supplies and equipment in case of an emergency. Which includes resuscitation and trauma equipment, oxygen, cervical collars and kits for minor and major treatment injuries, including basic first aid supplies.

Knowledge of local EMS, police, fire and hospital resources.

#### **Covid-19 Compliance Officer for Film & Television**

**September 2020**

COVID-19 Safety Compliance Certificate Program for I.A.T.S.E Commercial, Film & Television. Training through the County of Los Angeles Public Health agency.

Covid-19 Compliance Officer (C19C0) - Training with Health Education Services.

This training was created for Non-Union Production. Set Safety Standards are constantly changing and vary from city to city, so please always consult your local and state health departments, union, and CDC guidelines before each shoot. This class follows the requirements of the County of Los Angeles Department of Public Health Order of the Health Officer (June 12,2020) and guidelines presented by National Set Medics, AICP, Alliance of Motion Pictures and Television Producers white paper, and General Workplace Safety Guidelines set by the CDC. This non-union class is not endorsed by any outside organization.
