As a dynamic and driven young professional, I bring a unique blend of experience and enthusiasm to every role I undertake. Fluent in both English and Spanish, I excel in communication and have a proven track record in diverse environments. My background includes hands-on experience as a custodian, where I managed maintenance tasks in office buildings, ensuring a clean and efficient workspace. In my current role as a Social Media Manager and Production Specialist, I've developed strong skills in content creation, social media strategy, and client engagement. I am a quick learner with a passion for growth and am committed to thriving in any job I take on. I am eager to leverage my skills and adaptability to contribute effectively and drive success in your organization.

Work Experience

Social Media Producer

Quake LED-Denver, CO

January 2023 to Present

As the executive social media producer for Quake LED and Freakshow Builds, I am in charge of producing and filming social media content to engage viewers and communicate with the community. I work with the company to make social media post on most platforms and have brought hundreds of thousands of views and thousands of subscribers and followers to the company. I am in charge of filming, editing and upload many types of videos from, YouTube short/tiktoks, to full length videos on the YouTube channels. I am also in charge of lighting, sound design, and filming interviews for the channel .

Director, Director of Photography, Editor

5280 Vinyl-Denver, CO

March 2024 to April 2024

As the head filmmaker for the promotional video of 5280 Vinyl, I took pride in capturing the essence of the brand through my lens. From filming each shot to meticulously editing and color grading the footage, I ensured that the final product resonated with the audience. Being deeply involved in every step of the production process allowed me to showcase the unique selling points of 5280 Vinyl in a visually compelling way.

Director of Photography

3 Wize Media-Denver, CO

August 2023 to August 2023

As the head cinematographer for the featured film "They Call Me Marshal," I meticulously color graded each frame, ensuring the visual storytelling unfolded seamlessly. I leveraged my expertise, equipment, and creativity to breathe life into every scene we captured. Leading a small but dedicated crew, I orchestrated our efforts with precision, elevating the production with my vision and technical acumen.

Despite the constraints of a modest budget, the scale of the project was ambitious, challenging me to push the boundaries of my craft to deliver a compelling cinematic experience.
