Team Player/Volunteer Efforts

- Volunteered with BOEC, Epic Promise, Dew Tour, Camp9600 and Breck Film Fest
- Assisted with writing the new Drone Ordinance in Breckenridge, CO
- Giving presentations on UAV use to STEM students (children's camps and high schoolers)
- Enjoys working with co-workers from different backgrounds and nationalities
- Works well in groups and teams, both academically and socially

Outdoors and Sports Enthusiast

- Deeply rooted in a healthy and active lifestyle, participating in activities such as split/snowboarding, motocross, enduro mountain biking and adventure motorcycle riding. Also enjoys lower impact activities such as stand up paddleboarding, camping, and canoeing.
- Typically take an out-of-town trip every month and capture new media. I'm either camping under the stars, taking the motorcycle to Taos, or spending 3 nights in a secluded winter hut via snowmobile
