WORK EXPERIENCE

Digital Marketing Intern

The Lyric Cinema

January 2024 - August 2024

Video Capture

- Attend movie, music, and other creative events to film them in their entirety.
- Arrange and film interviews with local artists and bands.

Video Editing

- Edit captured footage into short promotional videos for social media and long-format videos.

Content Creation

- Write and film skits for promotional material on social media and in theaters before movies.
- Collaborate with team members to brainstorm and develop skit ideas.

Marketing Ideas

- Participate in weekly meetings with the marketing team to discuss current trends and growth strategies.

Warehouse Associate

Colorado State University

August 2021 - Present

Part-time job while in school:

- Collaborate with team members to ensure timely deliveries across various campus locations, meeting all deadlines
- Carefully inspect each ticket to guarantee accuracy
- Recognizing problems with inventory discrepancies, damaged goods or logistical challenges
- Interacting with faculty and students to provide updates and address concerns, creating a positive customer experience
