## Professional Experience

### Three Point Media

**Executive Vice President of Production | March 2020 – Present | Remote**

- Managed pre-through-post production, including script development, pre-interviews, talent wrangling, data management and script supervising on set, scheduling, and sourcing/licensing all supplemental footage & music for edits.
- Researched and built pitch decks, oversaw tight project timelines, coordinated with external vendors, produced 50+ shoots, managed client relationships, and approved final deliverables before launch.
- Led 67 client teams, managed 6 full-time staff, and operated media budgets ranging from \$175k-\$28M. Improved internal workflows, staff experience, and operational efficiency. Built a footage library of released shoot footage from 2014 - present, and developed a licensing system to generate revenue for the firm.

### Cory 2020

**New Hampshire Organizing Director | March 2019 - January 2020 | Manchester, NH**

- Created & executed Cory Booker's presidential campaign field program in New Hampshire during a competitive primary cycle.
- Hired and managed 11 staff, built a grassroots support network of 280+ in-state volunteers, and coordinated the out-of-state and border state volunteer recruitment.
- Collaborated with Operations Directors on budget management for all state field offices. Worked with National Political & Trips teams to organize 40+ principle events, and recruited over 100 activist and political endorsers.

### Yes on Proposition E: Arts for Everyone, Without Raising Taxes

**Campaign Manager | July 2018 - December 2018 | San Francisco, CA**

- Managed a team of 3 staff, a coalition of 130+ arts organizations, and a substantial volunteer network. Researched and presented strategic arts & culture initiatives to the coalition weekly.
- Collaborated with 3 consulting firms on fundraising, voter contact, paid communication, and overall campaign strategy. Developed campaign material and led the endorsement & Ballot Argument process with the SF Dept of Elections. Managed press relations, drafting and publishing Press Advisories and Press Releases for major publications.
- Served as Creative Director with a local production company for our 30-sec TV ad, overseeing talent recruitment, development, production, and final deliverables.
