PROFESSIONAL PROFILE

Award winning film director, videographer, television producer & host, content creator. Highly experienced with healthcare related marketing/programming for broadcast and corporate video across video platforms.

EXPERIENCE

COLORADO HEALTH MATTERS TV PROGRAM

Producer, Director, Cinematographer, Editor, Writer, Host 2021-present

Colorado Health Matters is a half-hour healthcare focused paid program which airs on KWGN Channel 2 Denver in Colorado. It showcases the best medical and dental practices and senior care facilities in Colorado. I write the scripts, direct the talent, collaborate with marketing teams, serve as primary cinematographer, maintain HIPPA compliance, edit projects from assembly through final delivery. I manage all production phases.

AMERICAN HEALTH FRONT TV PROGRAM

Producer, Director, Cinematographer, Editor, Writer 2003-2021

American Health Front is the nation's longest running medical news program on network television. I served as the sole producer, director, cinematographer, editor and writer.

DEPUTY BOULDER COUNTY FILM COMMISSIONER

2022-present

The Boulder County Film Commission is here to help navigate permitting, suggest locations, connect you with crew and support services, and support our local film industry. My role as Deputy is to support the Commissioner in all aspects of the film commission including: producing several networking events per year with up to 300 guests, producing video and photography content to promote Boulder County as a film destination, communicating with filmmakers to help support their film efforts

TOM PARKIN FILMS

Creative Director/Owner 1999-present

Providing professional filmmaking and video production services for broadcast, marketing, training and entertainment since 1999. Projects range from feature film productions, TV commercials, live event video production, marketing videos and training films.

INDEPENDENT FILMMAKER

1999-present

Production of dozens of award-winning feature and short films. My roles vary from directing, producing, cinematography, editing, writing, and acting.
