

# Resume of Film/Video Activities for Robert Berg, III

303.808.5757 (Cell)

## General

I have many years of experience in the motion picture and commercial and industrial production industry in the Denver-area and have been involved in various capacities on features, shorts, episodic television, commercials, industrial films, and music videos. I have produced many of my own projects, as well as operating or assisting in the camera or directorial departments for other production companies.

I am an owner/operator of a RED Dragon (6K), Nikon 4K UHD DSLR, a variety of lenses and lighting gear, have familiarity with several 16mm and 35mm film cameras, a variety of video cameras (including VariCam), and, Letus Helix, and Steadicam Mini. I am a Panavision-Certified A/C for the Panaflex Gold camera system.
