(303) 589-8522

[www.lee frankaudio.com](http://www.lee frankaudio.com)

**Field and Studio Soundman/Audio Engineer  
Location Sound Mixer/Recordist, A2**

**Emmy Award Winner for NBC Olympics**

**Experienced, Competent, Conscientious**

**Broadcast, Corporate, News, Sports, Features, Documentaries, Commercials, Series,  
Reality, Skiing, Music Events, Live Productions**

**Full Audio Package of up-to-date well-maintained equipment**

**Lighting and Production Assistance**

**My more than 25 years of broadcast audio work includes projects for the major  
networks, many syndicated shows and independent production companies.**

**My engineering career began with studio production, construction and maintenance.  
I also have an extensive background in network radio news and sports--covering events  
and issues, gathering audio, writing scripts, producing packages, on-air reporting and  
anchoring.**

**Reliable Professional Ready to Roll**
